(June 6, 2022 through July 1, 2022)

REGISTRATION PROCEDURES: Registration is to be completed through your home school counseling office. Payment and enrollment open after **March 16th, 2022**.

1. Contact your Junior High or High School counseling office to discuss your secondary summer school options and have a class **recommended** through Infinite Campus.
2. Pay for the course after receiving a recommendation email or checking your parent portal after 24 hours. (You do not need to wait for confirmation email to pay, just for fees to be available in the Parent Portal)
3. Receive enrollment confirmation email within 48 hours. Email Summer School or Global Academy if confirmation is not received after payment, or if there are any concerns.

Once payment is received you will be **enrolled** in your summer course. You will receive a confirmation email within 48 hours of payment. All registration is completed online through Infinite Campus. Payment is required at the time of registration in order to be enrolled in the course. A recommendation from the counselor DOES NOT guarantee you a seat in the class, payment must be made first. *Visa, Discover, and American Express are accepted for payment.*

Tax Credit CANNOT be used for courses

REGISTRATION INFORMATION:

- Registration opens for all summer school courses on March 16th. Course recommendations and requests are done through your school counselor.
- Enrollment in the course only happens once payment is made - **A recommendation from your counselor does not hold your place.**
- Payment is made through the Infinite Campus Parent Portal after recommendation has been approved, usually within 24 hours.

Registration for both sessions open on March 16th

Session 1 & 2 registration:
March 16th - May 27th.

NO registration for Session 1 Session 2 courses will be allowed after May 27th

If a student needs to meet with a counselor to get a recommendation for a Session 2 course after May 27th, an appointment can be made with the summer school counselor during the week of June 1st and June 2nd, 2022.

Please be aware that classes fill up quickly. Waiting until after May 27th risks that the class may have filled up.

Please note: Courses will only be offered upon sufficient enrollment numbers. In the event that a class is cancelled due to low enrollment, you will be notified and your full payment for that course will be refunded.

REFUND INFORMATION:

All refunds must be requested via email to summerschool@gilbertschools.net
A full refund will be processed for any class that is cancelled by administration. Refund requests must be received by the following deadline: 11:59pm on May 27th.

Refunds are not issued for attendance issues or students being dropped.

TRANSPORTATION (in-person summer school only): Transportation services are available for purchase through our webpage, as well as further instructions. The fee information and sign up information is on the website. Students will be picked up at any of the other four GPS high schools - not at students' normal bus stops. *Note that there is no transportation for students in the Highland High Boundary.

ENROLLMENT: Each student should review his/her transcript with his/her school guidance counselor. Please complete the course recommendation process with your counselor early to ensure a space is available in the desired course. A recommendation does not guarantee enrollment. Payment must be made and enrollment confirmed.

CODE OF CONDUCT: During the summer session, all students are expected to adhere to Gilbert Public School District's Awareness Contract at all times. In-person Summer School at Highland High School is a **closed** campus, students will **not** be allowed to leave campus during the Summer School day. [Student Handbook](#)

ATTENDANCE & TARDIES (in-person summer school): Due to the amount of material that needs to be covered in a short amount of time, students may miss no more than one day of Summer School. If a student misses a second time, the student will be disenrolled with no credit earned and no refund. Ten minutes or more late to class will equal an absence. Leaving early by ten minutes or more is an absence. Three tardies (less than 10 mins) equals one absence. Please report any absences to the Summer School Office at (480)545-2555.

FINAL EXAMS:

Final exams are given on the last day for each session. All students must attend the last day of class. An absence on the last day will jeopardize credit for the course. All fees are nonrefundable. Students may not leave before dismissal time, even with parent permission.

GRADES: Final grades will be posted to the Student Portal in Infinite Campus. Summer School grades will be mailed upon a **specific request**. Students withdrawing after the halfway point of the course will receive a WF on their transcript. There are no exceptions to this rule.

NURSE/HEALTH OFFICE (in-person summer school only): A full-time nurse will be on staff during Summer School. All students will need to fill out and submit a medical information card by the end of week one. All medication needs should be coordinated directly with the Summer School Nurse.

Secondary Summer School High School Program Descriptions

In-person summer school is designed for students with some background in the subjects being taught. Courses are 5 hours a day, set in a traditional model. A full semester course is covered in only 10 days and they are highly rigorous. There is always a chance that after spending 5 hours at school, you will have additional work to do.

Gilbert Unified School District does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability in admission to its programs, services, or activities, in access to them, in treatment of individuals, or in any aspect of their operations. The lack of English language skills shall not be a barrier to admission or participation in the district's activities and programs. The Gilbert Unified School District also does not discriminate in its hiring or employment practices.

ENGLISH IV - For repeat purposes only

Offered to eligible students as determined by an Individualized Education Plan (IEP)

This course will integrate reading, writing, speaking, listening and language skills. In addition, this course will develop students' writing and reading skills for real world applications. Students will write arguments, expository/informative texts and narratives on various real-world topics. Students will develop their critical reading skills as they apply to both literary and informational texts. Readings selected by the teacher will be relevant to the students' current and future lives.
